Yes Virginia, you were right! The only football statistics that REALLY count are the ones that put you in the end zone

But Jefferson high, which bought and sold real estate almost at will, was able to count a pair of stats and capture its Mississippi Valley conference opener from Iowa City high at Kingston stadium Friday night, 13-0.

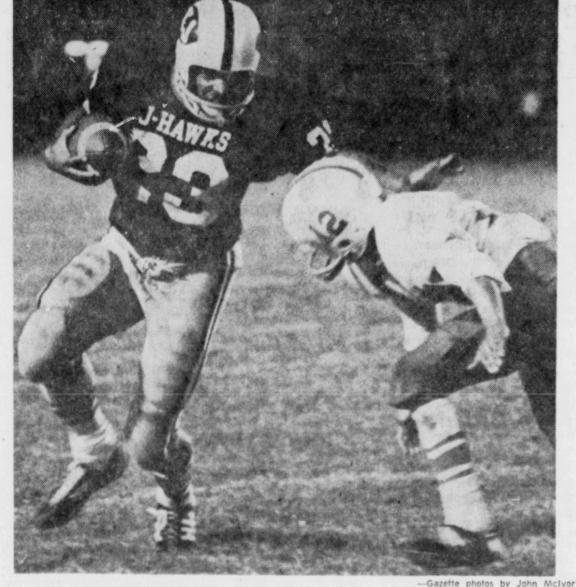

The loss gave Iowa City a 1-1 league record, while Jeff is 2-1 over-all.

The J-Hawks, who rolled up 345 yards total offense to the visitors' 94 and had a first down advantage of 22-4, had to settle for a pair of scoring passes from junior quarterback Brad Trickey to gain the triumph.

"All those yards and we win by only 13-0!" exclaimed Jeff Coach Jeff Fish, shaking his head in near disbelief. "When you get that many yards, evidently nothing is wrong with the plays. We just have to eliminate some mistakes.

"We stayed fairly basic, but on most of our drives our blocking either broke down or our backs were running too wide. It was hard to get outside; that's where their Iowa conference title Friday defense was geared to stop night by handing Linn-Mar its us." hird straight lopsided defeat on

Doolin What Comes Naturally

Jefferson halfback Emmett Doolin (23) tried to ward off Iowa City's Max Villareal (12) as he raced 12 yards for a first down to the lowa City 49 in the second guarter of Friday night's action at Kingston stadium. Villareal, a 114-pounder, did make the tackle.
