

JFK FOOTBALL SUPPORT GROUP

MEETING MINUTES-2/8/18

COACH'S REPORT GIVEN BY COACH WHITE

Coach reported that C.J. Feller has been hired as a varsity coach. C.J. brings great experience and we are excited to have him as part of the team. Coach White will be the defensive coach for the 2018-19 season and Coach Knock will be the offensive coach for the 2018-19 season. Non-District assignments should be released next week and the off season schedule should be done by the middle to end of February.

Coach talked about holding a football camp for moms! It will be a fun time for moms to learn more about the game of football and possibly get to put on some equipment and run through some drills. There will be a small fee to be determined with proceeds going to a local charity.

TREASURER'S REPORT GIVEN BY BETHANY BEATTY

Treasurer reported that after paying the final invoices for apparel, we are looking good for the startup of the 2018-2019 season. At our last meeting, Coach White presented some requests for items for the program; it meeting approved the purchase of two smaller tackling rings, two equipment trunks on wheels, and one water cooler.

Since we are having issues getting the sunglasses at an affordable price for the Coach's gifts, we decided to switch directions and purchase an extra water cooler at the request of the coaching staff.

BOOSTER CLUB REPORT GIVEN BY THERESA HARRISON

As volunteer opportunities are emailed out, it is imperative to the program that football parents sign up to help. Our football budget is based solely on booster club memberships, the sale of benchwarmer tickets, and these volunteer spots. If we want the program to be able to purchase must needed equipment for our children, we have to make sure we are filling these spots before other sports and fine arts fill them up.

2018-2019 FSG BOARD MEMBERS AND COMMITTEE CHAIRS

Vice President-Dustin Vis

Treasurer-Bethany Beatty

Food-Open (Please contact one of the board members if you are interested). You will receive great notes from previous years and help from the previous food chair.

COMMUNITY SERVICE IDEAS

Jeff has been in contact with a community organization that works with aging citizens to provide outdoor clean up services at their residences. This would be a great opportunity for our players to give back to the community. We will talk more about this at the next meeting.

APPAREL FOR 2018

After received quotes from Solbergs, Level 10 and Craft Cochran, the decision was made to give Level 10 a try this year. Kelly has started working with them to come up with new apparel designs.

FUNDRAISERS

Last year we provided the food for the Nixon Elementary School Carnival. We would like to do this again. Alison will reach out to Nixon PTA.

Blitz Cards are our biggest fundraiser. Jeff McGuire mentioned offering his son's nice used car as a prize. Cash is always a nice incentive for the players. The board will start working with Adrenaline and will bring updates to the next meeting.
