

# JFK FOOTBALL SUPPORT GROUP

## MEETING MINUTES-11/08/17

---

### COACH'S REPORT GIVEN BY COACH WHITE

---

Coach reported that they met as a coaching staff and discussed the future of the program. Overall, they feel we had a successful season. There are a couple of minor needs of the program which include a set of lights in need of service and a wall built in the garage by the practice field so coaches have a little privacy when changing since some of the staff come directly from other jobs.

---

### TREASURER'S REPORT GIVEN BY BETHANY BEATTY

---

After expenses from homecoming, banquets, etc. the account is looking good. We should have a good amount for startup for next season.

---

### BOOSTER CLUB REPORT GIVEN BY THERESA HARRISON

---

The Booster Club would like to thank everyone that took time to volunteer as concession stand workers, ticket takers, and gate workers. Please continue to sign up during the winter months to help the football program earn money.

---

### BANQUETS

---

Freshman and sophomore banquets went well. Thank you to those that coordinated and helped provide food, as well as those who helped serve and clean up. The Varsity banquet will begin at 5:30 p.m. instead of 5:00 p.m. to allow parents time to get here from work. Debbie White is working on the video; Bethany Beatty is coordinating food, as well as decorations and collecting coach's gift money. Please check out the sign up to see if there is an area that you are able to help.

---

### Coaches Gifts

---

Discussion was held as to gift ideas for all coaches to show our appreciation for all they do for the football program. We have decided to go with the Oakley Half Jacket sunglasses. Bethany is going to work with Oakley to get them ordered. They will not be in for a while.

---

**NEXT MEETING IS January 10<sup>th</sup> @ 5:30 P.M. in Kennedy's Upper IMC**
